LINEAR ENCODERS

)

)

**PROPOSED AMENDMENT TO DRAWINGS**

Commissioner for Patents  
Washington, D.C. 20231  
Attn. Draftsman

Dear Sir:

Applicant is submitting proposed corrections for original FIGS. 1-12. Amended FIGS. 1-12 overcome several objections made in the Office Action mailed on May 22, 2002 regarding the above-mentioned application. In particular, original FIGS. 1-11 were objected to for failing to be labeled as prior art. FIGS. 1-11, as presently amended, are now labeled as prior art.

The Office Action also objected to FIG. 12 for lacking the numeral 220. FIG. 12, as presently amended, has added numeral 220.

The additions have been indicated in red ink. Furthermore, it is not believed that the corrections involve new matter. Accordingly, please indicate whether the corrections are acceptable in the next Office Action.

Respectfully submitted,

  
John C. Freeman  
Registration No. 34,483  
Attorney for Applicant
